PART 2 – SCOPE OF WORK

2.1 Scope of Work and Specific Requirements

Summary of Services

The Virgin Islands Housing Authority (VIHA), hereinafter referred to as VIHA has issued this Request for Proposals (RFP) to define the minimum service requirements; solicit proposals; detail proposal requirements; firm requirements; and, outline the process for evaluating proposals and selecting the subsequent firm to provide marketing and communication consulting services aimed and ensuring consistent and effective communications with residents and participants of both the agency's public housing and Housing Choice Voucher programs. Work of the selected firm will be key in ensuring that mechanisms are developed and implemented that ensure that housing assisted households are aware of the latest updates regarding VIHA's redevelopment plan, available services, and resources, and highlights the accomplishments and success achieved by housing assisted individuals, VIHA, and its community partners.

Background

VIHA has a plan to transform its public housing units into financially and environmentally sustainable communities of choice for families and seniors on St. Thomas and St. Croix. Simultaneously, VIHA is introducing its new resident services action plan, Bright Path, which is transformative in both program design and in the source of funding. All three of our developer partners have agreed to use Low-Income Housing Tax Credits equity to fund the service-rich housing model for 15 years. To ensure a comprehensive approach to community-building, VIHA leadership also strives to ensure that its residents are equipped with the tools and resources necessary for economic growth and sustained success in their new communities. As a result, VIHA is implementing an accompanying human transformation approach to resident services that it believes results in generational success and improvements in the overall quality of life for all residents.

To accomplish the goal of generational success for its residents, VIHA believes that it must ensure the internal infrastructure exists that enables VIHA to avail residents with every opportunity for success. As a result, VIHA has revamped its resident services division. The mission of the department and its new Bright Path Human Service Delivery Model is to ensure individuals and families will have access to comprehensive services and resources that are instrumental in promoting health and wellness, housing stability, economic mobility, and personal self-sufficiency for every household. Instrumental in achieving this mission is access to needed funding which can be leveraged to increase the odds for the individuals and families served by VIHA and its development partners.

VIHA's new holistic human transformation efforts will be intentional, innovative, collaborative, data-driven, and strength-based. In collaboration with functioning resident councils, VIHA's development partners, and various community-based nonprofits and government partners, the new department will develop strategies and seek to coordinate programs and services that will be customized for each VIHA community and thereby ensuring to meet the needs of the community down to the individual level. The intent is to not work in silos while engaging all partners and stakeholders in the effort of transforming the lives of the residents which we all have been entrusted to serve.

Scope of Work

VIHA and its Resident Wellness & Empowerment department are soliciting qualifications from individuals or firms with experience creating and implementing marketing and communications plans to include branding and rebranding of departments, missions, and strategies. The scope of work will include the following tasks:

- Creation of the necessary infrastructure, such as electronic communications, newsletters, websites, or other communications tools, to enable plan implementation to begin and support the implementation of the approved communications plan. This may include, but not be limited to:
 1. Coordinating media strategies with VIHA and its Resident Wellness & Empowerment department, and identified partners,
 2. Producing creative materials and building the necessary dissemination infrastructure (such as newsletters, posters, flyers, websites, and social media posts), organizing media and familiarization tours, and
 3. Writing articles, success stories, and other communications.

PART 3 – PROPOSAL SUBMISSION

3.1 Proposal Format and Structure

Tabbed Proposal Submittal – VIHA intends to retain the successful proposer under a "Best Value" basis, not a "Low Proposal" basis ("Best Value," in that VIHA will consider factors other than just cost in making the award decision). So that VIHA can adequately evaluate the offers received, the sequence must format all proposals submitted in response to this RFP noted below. Each category must be separated by numbered index dividers and labeled with each tab numbered sequentially, as shown below. None of the proposed services may conflict with any requirements VIHA has published herein or has issued by addendum. The sections are delineated as follows:

- A. Introductory Letter.** The firm shall provide a brief synopsis on company letterhead of its ability to perform the scope of work outlined in the RFP, business background, and identify the benefits provided by its offering. The Introductory Letter must include the legal business name and company status (i.e., partnership, corporation – including State or Territory of incorporation, etc.). Additionally, the Respondent must state if there have been any recent (within the past three years) changes in ownership and substantial leadership changes. Also, please include the location of the Firm's principal place of business and discuss any joint venture partners or sub-consultants as they pertain to the RFP. ***Please limit Introductory Letter to three (3) pages maximum.***

The Virgin Islands Housing Authority will evaluate all responses and will select the three (3) most highly qualified names or firms and rank them in a one-two-three order, according to the following qualifications:

B. Tabbed sections as indicated:

TAB	WEIGHTED SCORING CRITERIA	PAGE COUNT
1	Experience and Capabilities	Maximum 6 pages
2	Approach and Methodology	Maximum 7 pages

Foldouts containing charts, spreadsheets, and oversize exhibits are permissible and included in the page count. VIHA will allow a font size no smaller than 9-point for the information included in tables and charts **only**. **All proposal pages must be consecutively numbered. Respondents are cautioned that if their proposal exceeds the page limitation, VIHA will evaluate up through the permitted number of pages only. Information contained on pages beyond that limit will not be considered.** Brevity concerning proposals is strongly encouraged.

All information must be incorporated into a response to a specific requirement and referenced. Any information not meeting these criteria will be deemed extraneous and not contribute to the evaluation process.

All information presented in response to this RFP must be included in the submitted response. There can be no information linked to a website that requires reviewers to access the website for consideration of content. Any such conditions will not be considered part of the Respondent's proposal.

VIHA may award a contract based on initial offers received, without discussions; therefore, each submission should contain the Respondent's best terms from a cost or price and technical standpoint. The selected firm must be ready to execute the contract within one week of receiving a contract from VIHA.

3.2 Submission of Proposals

It shall be the responsibility of each proposer to be aware of and abide by all dates, times, conditions, requirements, and specifications set forth within all applicable documents issued by the Authority. Including the RFP document, any appendices, and required attachments submitted by the proposer. By completing, signing, and presenting the complete documents, the proposer states their agreement to comply with all conditions and requirements set forth with those documents. Written notice from the proposer not authorized in writing by the Executive Director to exclude any of the Authority requirements contained within the records may cause the proposer not to be considered for the award.

By submitting a response to the RFP, the Respondent is acknowledging that the Respondent:

1. Has read the information and instructions; and
2. Agrees to comply with the information and instructions contained herein.

Proposal Submission – All completed proposals must be submitted to the VIHA electronically by the Proposal Due Date and Time. Respondents shall transmit completed proposals to the VIHA by email to mmiller@vihousing.org in PDF format. **The "Subject" line of the email should state "(name of firm) Resident Marketing & Communications."** Please exercise caution in creating your electronic file.

VIHA reserves the right to:

- Award more than one (1) contract; and
- Award a contract based on initial offers received, without discussions or requests for best and final offers.

PART 4 – PROPOSAL EVALUATION

4.1 Evaluation Factors and Award

The proposal evaluation process is designed to award the contract, not necessarily to the Respondent of least cost, but rather to the Respondent with the best combination of attributes (e.g., qualifications and experience, price, etc.), based upon the evaluation factors established explicitly for this Request for Proposals.

Respondents must provide all information outlined in the Evaluation Factors to be considered responsive. Proposals will be evaluated based on the responsiveness of the Respondent's statement to the Evaluation Factors, which will demonstrate the Respondent's understanding of the Evaluation Factors and capacity to perform the required services of this Request for Proposals.

Proposals will be evaluated based on the following Evaluation Factors:

WEIGHTED EVALUATION FACTORS	WEIGHT OF FACTOR
Experience and Capabilities	25
Approach and Methodology	30
Staffing & Qualifications	20
Fee Proposal (see Exhibit A)	20
Equal Employment Opportunity/Supplier Diversity	5
TOTAL	100

The establishment, application, and interpretation of the above Evaluation Factors shall be solely within the discretion of VIHA. Proposals that appear unrealistic in terms of technical commitments, lack of technical competence, or are indicative of the failure to comprehend the complexity and risk of the subsequent contract may be rejected. VIHA reserves the right to determine the suitability of proposals based on all of these factors.

4.2 Evaluation Factor Description

Respondents are required to respond thoroughly to each of the following evaluation factors, focusing on providing answers that are both clear and concise.

TAB 1: Experience and Capabilities – The evaluation of the proposals for this factor will be based on the experience, performance history, and competence of the Respondent and any proposed joint ventures, subcontractors, and consultants to provide the required services delineated in the RFP. This includes the capability to provide adequate resources and support to accomplish the general and specific requirements delineated within this RFP and the relevance of prior and current experience. This factor also includes the capacity to take on new work and the Respondent's plan to add staff as necessary.

Past Performance - Submit detailed information on the Respondent's experience in providing similar services to similar agencies, providing information on the Respondent's insurance experience. Respondents shall have a demonstrated minimum of three (3) years of experience in conducting the required services, which can be documented through the references/work experience provided (preferably within the past five years). Provide the names, addresses, and telephone numbers of at least three (3) references that may be contacted that have used

TAB 2: Approach and Methodology

Management Approach – The evaluation of the proposals for this factor will be based on the soundness and quality of the Respondent's plans for providing the required services. Higher evaluation ratings will be given to proposals that demonstrate specific examples of successful management plans and quality control approaches that will be used in the performance of the contract rather than a general approach that cites the requirements in the RFP. The Respondent's coordination and monitoring techniques with proposed agencies, subcontractors, or consultants will also be evaluated.

Technical Approach – The evaluation of the proposals for this factor will be based on the Respondents' understanding and awareness of the various functions required to perform the activities and requirements of the RFP. The evaluation of the Respondent's response will be based upon the degree to which the Respondent has presented a quality approach to the specific dynamics and concerns of VIHA. The quality of the approach will be evaluated in terms of the Respondent's areas of staffing, proposed procedures and methodologies, the proposed work plan and schedule, and the expected outcomes and deliverables.

TAB 3: Staffing and Qualifications – The evaluation of the proposals for this factor will be based on the quality and adequacy of the knowledge, skills, pertinent experience of proposed key personnel, and their availability for working on the subsequent contract for this RFP.

TAB 4: Fee Proposal – All offers must be submitted on the Fee Proposal Form provided by VIHA (see Exhibit A). Failure to provide an offer for each item delineated on the Fee Proposal Form may result in the offer being determined "non-responsive" and subsequently disqualified from consideration. Offers should Insert the words "No Offer" in the space provided for any item for which no price is submitted. Offers shall include all travel expenses, wages, supplies, and materials necessary to perform work under the terms and conditions of this RFP. Unless otherwise specified herein, all prices shall be on a firm, fixed-price basis and are not subject to adjustment based on the cost incurred. Any stipulations made to the Respondent's offer shall subject the offer to rejection. If the Offeror wishes to include additional information, the Offeror may do so with attachments. **Please type all prices.**

TAB 5: Equal Employment Opportunity/Supplier Diversity – The proposer must submit under this tab a copy of its Equal Opportunity Employment Policy and a complete description of the positive steps it will take to ensure compliance, to the greatest extent feasible, with the regulations about supplier diversity (e.g., small, minority, and women-owned businesses. *The proposer should state if no hires, suppliers, or vendors are contemplated.*

4.3 Evaluation and Award Process

The Evaluation Committee shall be established to evaluate proposals based solely on the Evaluation Factors set forth above. Submissions will be reviewed individually against the requirements stated in the RFP Factors not specified in the RFP will not be considered. VIHA reserves the right to waive any minor irregularities or technicalities in the proposals received.

A Technical Advisor with the required expertise may provide information and advise the Evaluation Committee on technical matters to ensure that the Evaluation Committee will benefit from such expertise to inform decisions. The designated Technical Advisor does not have voting rights concerning the evaluation and scoring of Project Proposals but will have consultation rights concerning matters that the Evaluation Committee cannot resolve.

Proposals that are considered nonresponsive will not receive consideration. VIHA reserves the right during the evaluation process to reconsider any bid submitted. It also reserves the right to meet with a Respondent at any time to gather additional information. Furthermore, VIHA reserves the right to delete, add or modify any aspect of this procurement.

VIHA reserves the right to: 1) award this contract to one Respondent, 2) make multiple awards, 3) award without discussions, and 4) negotiate the final scope of services, price, schedule, and any aspects of this solicitation with all Respondents. VIHA may 1) reject any or all offers if such action is in VIHA's interest, 2) award a contract other than to the lowest Respondent, 3) waive informalities, or minor irregularities in offers received, and 4) award all or part of the requirements stated. VIHA reserves the right to reject an award to Respondent during the contract negotiations if 1) Respondent and VIHA cannot agree to mutual terms for the contract or 2) Respondent causes a delay that, in VIHA's discretion, causes hardship to VIHA.

A proposal receiving a proper evaluation from the Evaluation Committee will be submitted to VIHA's Board of Commissioners for approval, subject to funding availability.

Provided the proposal meets all requirements of this RFP, VIHA will enter into a Service Agreement for an initial term of up to one year, with four (4) possible extensions of one-year periods (based on continued need, contractor's performance and/or funding).

In the event any governmental restrictions may be imposed which would necessitate alteration of the material, quality, quantity or performance of the goods or the material, quality, quantity, or performance of the goods or services offered, it shall be the responsibility of the successful Respondent to immediately notify VIHA in writing specifying the regulation which requires an alteration. VIHA reserves the right to accept any such alteration, including any reasonable price adjustments occasioned, or cancel the contract at no expense to VIHA.

6.10. Section 3

In keeping with Section 3 of The Housing and Urban Development Act of 1968, as amended, 12 USC 1701u (Section 3)), and in accordance with the goals of HUD, VIHA strongly encourages respondents to familiarize themselves with the Section 3 Rule located at 24 CFR Part 75.

6.13. Proposal Signature

The person signing the Fee Proposal Form must be authorized to bind the Respondent contractually. Unsigned offers will be rejected. Unsigned requests cannot be signed after the proposal has been opened. No signatures shall be in pencil.

6.14. Withdrawal of Proposals

Proposals may be withdrawn by written notice received any time before contract award. Bids may be removed in person by Respondent or its authorized representative if the identity of such representative is established and VIHA gets a signed receipt of the withdrawn proposal before the contract award.

By VIHA's Final Amended Procurement Policy Statement, contracts over \$250,000 shall be subject to approval by VIHA's Board of Commissioners before award and contract execution.

6.19 Due Diligence

All procurement transactions shall be conducted only with responsible Contractors, i.e., those who have the technical and financial competence to perform and have a satisfactory record of integrity. Where warranted and before awarding a contract, VIHA shall review the proposed Contractor's ability to perform the contract successfully, considering factors such as the Contractor's integrity, compliance with public policy, a record of past performance (including vendor performance reports and contacting previous clients of the Contractor), and financial and technical resources (an extensive financial review is usually conducted on all non-bonded procurement transactions over \$250,000 in total contract value). Contracts shall not be awarded to debarred, suspended, or ineligible Contractors. VIHA shall not contract with firms and individuals listed on the *List of Parties Excluded from Federal Procurement and Non-procurement Programs*. Suppose a prospective Contractor is found to be non-responsible. In that case, a written determination of non-responsibility shall be prepared, and the prospective Contractor shall be advised of the reasons for the decision.

6.20 Proposal Evaluation Period

When proposal evaluation is being conducted, all proposal analyses are confidential. This measure simply maintains the integrity of VIHA's procurement system. No VIHA personnel in any office can discuss information pertinent to any proposal during this period. Violation of the confidentiality of submissions pending award seriously compromises VIHA in establishing contractual agreements and may result in the disqualification of the Respondent from this procurement action.

6.21 Insurance Requirements

The following insurance coverage shall be carried by the Contractor during the term of this contract and will be subject to approval by VIHA. The premium cost of all insurance purchased by the Contractor for protection against risks assumed by the contract shall be borne by the Contractor and is not reimbursable by VIHA.

- E. **Proof of insurance shall be provided to VIHA before execution of this Contract and at the beginning of each option term (if applicable).** VIHA expressly reserves the right to require the Contractor to provide certified copies of such policy or policies.
- Each such policy will not be canceled or materially changed or altered without first giving thirty (30) days written notice thereof to Marilyn Miller, Procurement Manager, Procurement Department, 9900 Oswald Harris Court, St. Thomas, Virgin Islands 00802, sent by certified mail, return receipt requested.

VIHA anticipates that it will initially award a contract for the period of one (1) year from the Execution Date of the Contract.

6.24 Option to Extend

The contract shall have up to four (4) additional one (1) year option periods. The total contract period shall not exceed five (5) years from the Effective Date of the contract, i.e., the date on which VIHA executes the original agreement.

will notify the Contractor of the termination in writing by certified mail, return receipt requested, and pay the Contractor for services rendered before the Contractor's receipt of notice of the contract termination.

6.27 Advertising

Respondent agrees not to use the fact or the results from submitting a proposal as a part of any commercial advertising. VIHA does not permit the use of VIHA's relationship with an entity for purposes of marketing efforts unless VIHA agrees explicitly otherwise.

6.28 Notices

VIHA, at its discretion, shall determine which information may be disclosed under the Virgin Islands Public Records Law. By responding to this RFP, Respondent agrees that any determination made regarding the disclosure of information contained in the response is satisfactory.

Instructions to Offerors Non-Construction

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

3. Termination for Convenience and Default

- (a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default). Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.
- (b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.

- (d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be entitled to payment as described in paragraph (b) above.
- (e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

4. Examination and Retention of Contractor's Records

- (b) All claims by the Contractor shall be made in writing and submitted to the HA. A claim by the HA against the Contractor shall be subject to a written decision by the HA.
- (c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA's decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.
- (d) Provided the Contractor has (i) given the notice within the time stated in paragraph (c) above, and (ii) excepted its claim relating to such decision from the final release, and (iii) brought suit against the HA not later than one year after receipt of final payment, or if final payment has not been made, not later than one year after the Contractor has had a reasonable time to respond to a written request by the HA that it submit a final voucher and release, whichever is earlier, then the HA's decision shall not be final or conclusive, but the dispute shall be determined on the merits by a court of competent jurisdiction.
- (e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

8. Contract Termination; Debarment

9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract; except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. 10. Certificate and Release

Prior to final payment under this contract, or prior to settlement upon termination of this contract, and as a condition precedent thereto, the Contractor shall execute and deliver to the HA a certificate and release, in a form acceptable to the HA, of all claims against the HA by the Contractor under and by virtue of this contract, other than such claims, if any, as may be specifically excepted by the Contractor in stated amounts set forth therein.

11. Organizational Conflicts of Interest

- (a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest which is defined as a situation in which the nature of work under this contract and a contractor's organizational, financial, contractual or other interests are such that:
 - (i) Award of the contract may result in an unfair competitive advantage; or
 - (ii) The Contractor's objectivity in performing the contract work may be impaired.
- (b) The Contractor agrees that if after award it discovers an organizational conflict of interest with respect to this contract or any task/delivery order under the contract, he or she shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action which the Contractor has taken or intends to take to eliminate or neutralize the conflict. The HA may, however, terminate the contract or task/delivery order for the convenience of the HA if it would be in the best interest of the HA.

- (d) The terms of this clause shall be included in all subcontracts and consulting agreements wherein the work to be performed is similar to the service provided by the prime Contractor. The Contractor shall include in such subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.

12. Inspection and Acceptance

- (a) The HA has the right to review, require correction, if necessary, and accept the work products produced by the Contractor. Such review(s) shall be carried out within 30 days so as to not impede the work of the Contractor. Any

product of work shall be deemed accepted as submitted if the HA does not issue written comments and/or required corrections within 30 days from the date of receipt of such product from the Contractor.

- (b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or a later date if extended by the HA.
- (c) Failure by the Contractor to proceed with reasonable promptness to make necessary corrections shall be a default. If the Contractor's submission of corrected work remains unacceptable, the HA may terminate this contract (or the task order involved) or reduce the contract price or cost to reflect the reduced value of services received.

13. Interest of Members of Congress

No member of or delegate to the Congress of the United States of America or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit to arise there from, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.

No member, officer, or employee of the HA, no member of the governing body of the locality in which the project is situated, no member of the governing body in which the HA was activated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the project, shall, during his or her tenure, or for one year thereafter, have any interest, direct or indirect, in this contract or the proceeds thereof.

15. Limitation on Payments to Influence Certain Federal Transactions

(a) Definitions. As used in this clause:

"Agency", as defined in 5 U.S.C. 552(f), includes Federal executive departments and agencies as well as independent regulatory commissions and Government corporations, as defined in 31 U.S.C. 9101(1).

"Covered Federal Action" means any of the following Federal actions:

- (iii) The making of any Federal loan;
- (iv) The entering into of any cooperative agreement; and,
- (v) The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan.

"Indian tribe" and "tribal organization" have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450B). Alaskan Natives are included under the definitions of Indian tribes in that Act.

"Influencing or attempting to influence" means making, with the intent to influence, any communication to or appearance before an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any covered Federal action.

"Local government" means a unit of government in a State and, if chartered, established, or otherwise recognized by a State for the performance of a governmental duty, including a local public authority, a special district, an intrastate district, a council of governments, a sponsor group representative organization, and any other instrumentality of a local government.

"Officer or employee of an agency" includes the following individuals who are employed by an agency:

- (i) An individual who is appointed to a position in the Government under title 5, U.S.C., including a position under a temporary appointment;
- (ii) A member of the uniformed services as defined in section 202, title 18, U.S.C.;

- (iv) An individual who is a member of a Federal advisory committee, as defined by the Federal Advisory Committee Act, title 5, appendix 2.

"Person" means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or other Indian organization with respect to expenditures specifically permitted by other Federal law.

"Recipient" includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. The term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

"Regularly employed means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, or cooperative agreement. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

"State" means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.

(b) Prohibition.

- (i) Section 1352 of title 31, U.S.C. provides in part that no appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (ii) The prohibition does not apply as follows:

(1) Agency and legislative liaison by Own Employees.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) The following agency and legislative liaison activities are permitted where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by subdivision (b)(ii)(1)(a) of this clause are permitted under this clause.

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a

person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(b) For purposes of subdivision (b)(ii)(2)(a) of clause, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by subdivisions (b)(ii)(2)(a)(i) and (ii) of this section are permitted under this clause.

(iii) Selling activities by independent sales representatives.

(c) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply to the following selling activities before an agency by independent sales representatives, provided such activities are prior to formal solicitation by an agency and are specifically limited to the merits of the matter:

(i) Discussing with an agency (including individual demonstration) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and

(ii) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) Agreement. In accepting any contract, grant, cooperative agreement, or loan resulting from this solicitation, the person submitting the offer agrees not to make any payment prohibited by this clause.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.
