ISSUE DATE: June 13, 2022

NOTICE TO ALL RESPONDENTS

This Addendum, including all articles and corrections listed below, shall become a part of the original Request for Proposal package and shall be taken into account in preparing your proposal response.

The above-numbered RFP is amended as set forth below. Respondents must acknowledge receipt of this addendum on Exhibit M and return it with your proposal.

In order to ensure that all firms are given an equal opportunity to submit a competitive response, the following are responses to questions and/or requests for clarification concerning this solicitation.

Question/Request #1:

Will the contractor be required to attend meetings on site or will VIHA allow the work to be performed entirely remotely?

Answer:

It is our intent for the selected firm to produce a quality final product. Therefore, VIHA remains flexible as to where (onsite or virtually) various aspects of the work is conducted. Whether virtually or onsite, it is expected that the selected proposer sufficiently justifies each option.
